ENTERTAINMENT

Michael Bublé Tribute Artist

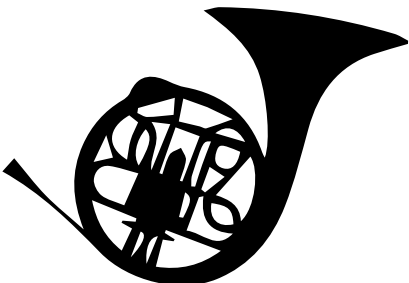

"Hollywood" is Canada's premiere tribute to Canadian singing sensation Michael Bublé. Named after Bublé's 2010 hit single "Hollywood", the band performs music spanning several decades. Hollywood's repertoire consists of Bublé's hits and his swinging arrangements of Frank Sinatra favourites. With a sizzling 8 piece band, complete with horn section, crooner Jay Davis provides a sincere interpretation of the Bublé songbook. Hollywood's Tribute to Michael Bublé energizes any event!
